SUMMARY

I am a 24 years old junior web developer with two years of experience in front-end development using React. Self-taught and consistent in my daily practice, I am full of innovative ideas and dedicated to continuous learning. I am excited to bring my creativity and technical expertise to the junior position at your company.

LANGUAGE AND FRAMEWORK

- HTML,CSS,VANILA JS
- REACT JS
- NODE JS
- LARAVEL (MVC STRUCTURE)
- MONGO DB
- MYSQL

EDUCATION

5TH YEAR (BE.PETROLEUM)

Yangon Technological University

2015 - 2021

HIGHER DIPLOMA IN INFOCOM TECHNOLOGY (CANDIDATE)

British University college
